Student Management – Spring MVC Project Screenshots

3. Students Form for Adding new student

A screenshot of a web browser showing a form titled "Students Form for Add". The browser's address bar displays "localhost:8080/StudentManagement/student/showFormForAdd". The form contains four text input fields labeled "First Name", "Last Name", "Course", and "Country". Below these fields is a teal "Save" button and a blue link labeled "Back to Students List".

4. Students Form for updating existing student

A screenshot of a web browser showing a form titled "Students Form for Update". The browser's address bar displays "localhost:8080/StudentManagement/student/showFormForUpdate?studentId=17". The form contains four text input fields with pre-filled values: "Suresh", "Nayak", "B.Tech", and "India". Below these fields is a teal "Save" button and a blue link labeled "Back to Students List".
